

## **FRIENDS OF GORWELION SPRING 2019 NEWSLETTER**

I was in Ogmere on one of those gorgeous days in February. I looked across the bay and saw Gorwelion. I thought of those four intrepid guiders who just before the end of the war found the site. What a legacy they left us! Today we have, on our own land a fantastic fully equipped house, two super camp sites all with the added bonus of a view that is breath taking in any weathers! Our challenge now is to continue maintaining & supporting Gorwelion so the legacy of those 4 guiders lives on. Here we go.....how's this for a different challenge!?? You'll like this one!!!!!!
